## Instructions to Student

- Academic Project Log Book (hereafter “the log book”) has been designed for the students to record research activities, progress, and discussions of their academic research project.
- A student must **write** clearly all the research activities, problems faced, ideas and proposed solutions, details of discussion with the supervisor in the log book.
- The log book’s format cannot be changed.
- The log book must be handed to the Final Year Project (FYP) Supervisor for verification on **a weekly basis**.
- The **signed log books** need to be submitted together with the Final Year Project (FYP) report in hard copy.
